|--|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|  | Key Competencies                                 | Level | Examples                                                                                                                                                                                 |
|--|--------------------------------------------------|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | Collecting, organising and analysing information | 2     | Determine requirements of standard recipes and/or menu requirements; collect equipment, commodities and ingredients; select and obtain commodities; organise ingredients and task sheets |
|  | Communicating ideas and information              | 1     | Share information with other kitchen and floor service staff; read recipes, menus, instructions and orders                                                                               |
|  | Planning and organising activities               | 2     | Complete preparation <i>mise-en-place</i> and organise for the production of sugar work pieces; work within time constraints in a logical sequence                                       |
|  | Working with others and in teams                 | 1     | Work cooperatively with other team members                                                                                                                                               |
|  | Using mathematical ideas and techniques          | 1     | Calculate quantities and portions against standard recipes and/or menu requirements                                                                                                      |
|  | Solving problems                                 | 1     | Identify and correct problems in the preparation and production of sugar work such as ingredient quality                                                                                 |
|  | Using technology                                 | 1     | Use mechanical kitchen equipment including weighing equipment                                                                                                                            |
