

UNIT TITLE: DESIGN A CONCEPT FOR A MAJOR EVENT OR FUNCTION		NOMINAL HOURS: 35
UNIT NUMBER: D1.HCA.CL3.02		
UNIT DESCRIPTOR: This unit deals with the skills and knowledge required to design a concept for a major event or function in a range of settings within the food production labour division of the hotel and travel industries		
ELEMENTS AND PERFORMANCE CRITERIA	UNIT VARIABLE AND ASSESSMENT GUIDE	
Element 1: Identify key objectives of event 1.1 Clarify key objectives of event in consultation with customer/s and/or key <i>stakeholders</i> 1.2 Identify and analyse <i>key information</i> in consultation with customer/s and/or key stakeholders and other <i>relevant parties</i> 1.3 Identify and analyse <i>factors</i> which might impact on the event Element 2: Establish concept, theme and format of event 2.1 Meet both customer needs and expectations in accordance with <i>organisation standards, policies and procedures</i> and within acceptable time frames 2.2 Develop an overall event concept, theme and format which reflects key objectives agreed upon with customer/s and/or key stakeholders 2.3 Verify practicality and viability of concept, theme and format through a sound process of consultation and analysis	Unit Variables The Unit Variables provide advice to interpret the scope and context of this unit of competence, allowing for differences between enterprises and workplaces. It relates to the unit as a whole and facilitates holistic assessment This unit applies to designing a concept for a major event or function in a range of outlets within the labour divisions of the hotel and travel industries and may include: 1. Food Production. Stakeholders may include: • Event principal • Local community • Organising committees • Local authorities • Staging contractors • Colleagues <i>Key information</i> may be related to: • Size and numbers of guests/delegates • Requirements of all relevant parties	

2.4 Identify logistical requirements of overall concept, theme and format 2.5 Obtain relevant approval from customer/s and/or stakeholders prior to implementation Element 3: Prepare a concept plan 3.1 Document theme and operational context of the event or function 3.2 Document <i>elements</i> of the total concept agreed to by customer/s and/or stakeholders 3.3 Gain <i>written agreement</i> from customer/s and/or stakeholders	• Location/s • Duration • Resource issues, e.g. Spatial requirements of the site/venue, environmental conditions, budget • Purpose of function or event, e.g. Wedding, convention, corporate function, ball. Relevant parties may include: • Venue staff and management • Caterers • Security • Musicians • Florists • Decorators • Exhibitors • Contractors.
	<i>Factors</i> may include: • Resource availability, e.g. Human, financial, physical • Potential for attracting additional resources, e.g. Sponsorship, co-hosting • Lead time restrictions • Potential levels of participation and interest • Competitive environment • Timing and duration factors, e.g. Impact of public holidays and/or other public events • Potential contributors • Talent requirements

	• Climate • Access factors, e.g. Physical access, access times/availability, internal/external location • Marketing and promotional issues, e.g. Media coverage. <i>Organisation standards, policies and procedures</i> may include: • Complaints procedures • Organisational standard report forms • Job descriptions • Code of ethics • Quality systems, standards and guidelines. <i>Elements</i> may include: • Venue decoration, e.g. Stage set up, design, props, decoration • Venue plan, e.g. Seating, lighting, stage set up • Catering • Talent • Technical effects, e.g. Sound, lighting, audio-visual. <i>Written agreement</i> may include: • Formal purchase order • Formal contracts • Letters of agreement • Memorandums of understanding.
--	--

Assessment Guide

The following skills and knowledge must be assessed as part of this unit:

- Ability to identify and work with key stakeholders for different types of events
- Ability to identify all factors that impact on the planning, construction and staging of an event or function
- Ability to design creative options for different types of events
- Ability to communicate effectively with a range of people relevant to position and role
- Ability to liaise and negotiate with the customer and other relevant parties to the event/function to develop the overall concept, theme and format of the event or function.

Linkages To Other Units

- Apply catering control principles and procedures
- Prepare tenders for catering contracts
- Establish and maintain a business relationship
- Develop and implement a business plan
- Gather and present product information
- Manage financial performance within budget.

Critical Aspects of Assessment

Evidence of the following is essential:

- Demonstrated ability to identify factors which impact on the planning, construction and staging of an event or function
- Demonstrated ability to liaise and negotiate with the customer and other stakeholders in the event to develop the overall concept, theme and format of the event or function
- Demonstrated ability to develop a concept, theme and format that reflects the key objectives agreed upon by the customer/s and/or key stakeholders

	• Demonstrated ability to develop a concept, theme and format that is operationally practical • Demonstrated ability to consider a range of creative options when developing a concept, theme and format of an event or function. Context of Assessment This unit may be assessed on or off the job • Assessment should include practical demonstration of the ability to design a concept for a major event or function either in the workplace or through a simulation activity, supported by a range of methods to assess underpinning knowledge • Assessment must relate to the individual's work area, job role and area of responsibility. Resource Implications Training and assessment to include access to a real or simulated workplace; and access to workplace standards, procedures, policies, guidelines, tools and equipment. Assessment Methods The following methods may be used to assess competency for this unit: • Case studies • Observation of practical candidate performance • Oral and written questions • Portfolio evidence • Problem solving • Role plays • Third party reports completed by a supervisor • Project and assignment work.

	Key Competencies in this Unit Level 1 = competence to undertake tasks effectively Level 2 = competence to manage tasks Level 3 = competence to use concepts for evaluating		
	Key Competencies	Level	Examples
	Collecting, organising and analysing information	2	Identify customer requirements and key factors influencing the development of the event concept
	Communicating ideas and information	2	Use positive communication techniques to 'sell' proposed concepts
	Planning and organising activities	2	Identify the most appropriate way to respond to customer requests
	Working with others and in teams	2	Work with relevant parties to plan concept
	Using mathematical ideas and techniques	0	
	Solving problems	2	Apply conflict resolution and communication skills to resolve conflict(s) and/or misunderstandings
	Using technology	0
