

PHILIPPINE QUALIFICATIONS FRAMEWORK

PQF

President Benigno C. Aquino
2011 SONA

“... ngayon pa lang, nagtatagpo na ang kaisipan ng DOLE, CHED, TESDA at DepEd upang tugunan ang isyu ng job mismatch. Susuriin ang mga curriculum para maituon sa mga industriyang naghahanap ng empleyado, at gagabayan ang mga estudyante sa pagpili ng mga kursong hitik sa bakanteng trabaho.”

What is PQF?

3

- It is a national policy describing the levels of educational qualifications and sets the standards for qualification outcomes.
- A quality assured national system for the development, recognition and award of qualifications based on standards of knowledge, skills and values acquired in different ways and methods by learners and workers of a certain country
- It is competency-based and labor market driven.
- It is assessment- based qualification recognition.

Objectives of the PQF

4

- To establish national standards and levels for outcomes of education and training, skills and competencies
- To support the development and maintenance of pathways and equivalencies which provide access to qualifications and assist people to move easily and readily between the different E & T sectors and between these sectors and the labor market
- To align the PQF with international qualifications framework to support the national and international mobility of workers thru increased recognition of the value and comparability of Philippine qualifications
